

INDEX TO VOLUME 114

A

- ABELL, IRVIN: Medicine in the National Defense Program, 1.
Abscesses of Otitic Origin in Nine Children, Cerebellar, 330.
Actual Holding Power in Various Screws in Bone, 376.
Acute Osteomyelitis, Chemotherapy as an Aid in the Management of, 129.
Acute Perforation of Lymphosarcomatous Ulcer of the Stomach, 1112.
Administration, Heparin, 205.
ADSON, ALFRED W.: Cerebral Rhinorrhea: Surgical Repair of Craniosinus Fistula, 697.
Aid in the Management of Acute Osteomyelitis, Chemotherapy as an, 129.
AIRD, IAN: Morbid Influences in Intestinal Obstruction and Strangulation, 385.
ALEXANDER, JOHN: Observations of Intrathoracic Neoplasms, 734.
ALLEN, ARTHUR W.: Gastric Ulcer, 498.
ALTEMEIER, WILLIAM A.: The Pathogenicity of Bacteria of Appendicitis Peritonitis, 158.
Ampulla of Vater and of the Periampullary Portion of the Duodenum, Surgical Management of the Carcinoma of the, 570.
Ampulla of Vater, 52 Proven Cases of Carcinoma of the Pancreas and the, with Special Reference to Fatty Infiltration of the Liver, 603.
Ampullary Regions, The Rationale of Radical Surgery for Cancer of the Pancreas and, 612.
Amputation of Gangrenous Parts by Chemosurgery, Conservative, 274.
Amputation for Osteogenic Sarcoma of Lower End of Femur, 1099.
Anal Incontinence, Results with the Fascia Plastic Operation for, 73.
Anastomosis of the Bile Ducts to the Gastro-intestinal Tract by a Method of Transfixion Necrosing Suture, 616.
Anastomosis Following Resection of the Colon for Carcinoma, Aseptic, Immediate, 635.
Aneurysms of the Internal Carotid Artery, the Surgical Treatment of Intracranial, 336.
Angiomata by Radiopaque Solutions, Visualization and Obliteration of, 1050.
Anorectal Type of Lymphogranuloma Venereum, Treatment of Severe Cases by a Mucosal-Stripping Operation, 847.
Antisepsis, with Special Reference to Sulfanilylguanidine, Intestinal, 663.
ANTONCIC, R. F.: The Muscular Activity of the Small Intestine in the Dog, During Acute Obstruction, 415.
Aorta 11 Days after Acute Coronary Occlusion, The Successful Removal of a Saddle Embolism of the, 834.
Apparatus for Closed Drainage of the Ventricular System, 1096.

- Appendices, Significance of Neuromatous Lesions in Obliterated, 424.
Appendicitis Peritonitis, The Pathogenicity of the Bacteria of, 158.
Army Services of Evacuation and Hospitalization, The Cooperation between the, 161.
Arrhenoblastoma of the Ovary, 78.
Arterial Embolectomy, 1093.
Artery, The Surgical Treatment of Intracranial Aneurysms of the Internal Carotid Artery, 336.
Arthrometer, a Simplified, 316.
Ascorbic Acid and Human Wound Healing, 776.
Aseptic, Immediate Anastomosis Following Resection of the Colon for Carcinoma, 635.
Atelectasis and Bronchopneumonia, Observations on the Prevention and Treatment of Postoperative, 243.
ATLAS, J.: Acute Perforation of Lymphosarcomatous Ulcer of the Stomach, 1112.
ATLAS, LAWRENCE N.: The Rôle of the Second Thoracic Spinal Segment in the Preganglionic Sympathetic Innervation of the Human Hand—Surgical Implications, 456.

B

- Bacteria of Appendicitis Peritonitis, The Pathogenicity of, 158.
BANCROFT, FREDERIC W.: Arterial Embolectomy, 1093.
BANKS, SAM W.: Regeneration of Epiphyseal Cartilage, 1076.
BARTON, WESLEY A.: An Effective Method for the Development of Collateral Circulation to the Myocardium, 186.
BECK, WILLIAM C.: Acute Perforation of Lymphosarcomatous Ulcer of the Stomach, 1112.
BELL, LESLIE M.: Jejunostomy for Postoperative Feeding, 462.
Bilateral Nephrostomy for Carcinoma of the Bladder, Total Cystectomy with, 149.
Bile Ducts to the Gastro-intestinal Tract by a Method of Transfixion Necrosing Suture, Anastomosis of the, 616.
Biliary Tract, During Operation; Table Top for Roentgenography, 799.
BIRD, CLARENCE E.: Surgery in Peptic Ulceration of Stomach and Duodenum in Infants and Children, 526.
Bladder, Total Cystectomy with Bilateral Nephrostomy for Carcinoma of the, 149.
BLADY, JOHN V.: Cancer of the Lip, Part I, 226; Part II, 341.
Bleeding Duodenal, Gastric, and Gastrojejunal Ulcer, Results of Partial Gastrectomy for, 481.
Blood, Infusions of, in Traumatic Shock and Peripheral Circulatory Failure, 1085.
Blood Substitute, Pectin Solution as a, 212; Transfusion Reactions: Their Causes and Prevention, 961.
